

AMENDMENTS TO THE DRAWINGS

The attached sheet of drawings are new Figures 10-15.

Attachment: New drawing sheets

REMARKS

During the interview conducted on January 2, 2010 with Examiners Grano and Gartenberg, applicant's Canadian representative, Mr. Provost, and the undersigned attorney, the drawings originally submitted with this application were discussed. The Examiner indicated that the numbering on the drawings was not clear. Examiner Gartenberg requested that the applicant submit new drawings (Figures 10-13). The enclosed drawings are submitted in response to this request.

The enclosed drawings correct inadvertent numbering errors in the original drawings and include additional numbers and revisions as suggested during the interview and in the Interview Summary. The specification has been amended to reference the lines along which the views in Figures 11 and 13 are taken.

No new matter has been added.

Reference is also made to the Final Rejection mailed January 15, 2010. That Action also refers to the requirement for new drawings. The instant submission is also believed to satisfy the requirement of the Final Rejection.

Dated: February 11, 2010
